(b) if so, what are the reasons therefor stating the deficiencies, if any identified by Government in the measures taken so far to check the said clandestine trade;

(c) what is the estimated trade since the beginning of 1995 as compared to the corresponding period in the previous year;

(d) what are the areas identified where such illegal trade is being continued unabated; and

(e) the manner in which Government propose to strengthen the measures to curb such illegal trade?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS: (SHRI RAJESH PILOT): (a), (b) and (c) There has been reports of illegal trade in tiger bones and other parts of its body because of high price that it commands in the international market. To tackle this menance, the enforcement machinery is required to be strengthened. The measures taken by the Government are as under:—

(i) The Ministry has set up a National Coordination Committee consisting of representatives of all major enforcement organisations to enable effective inter-departmental cooperation and coordination to deal with the problem of illegal trade in wildlife and wildlife products.

(ii) Rewards are given to informers for gathering intelligence regarding illegal trade and smuggling of illegal wildlife products.

(iii) Raids are carried out by the Wildlife authorities, in cooperation with other enforcement agencies, where necessary, whenever infromation of illegal trading in wildlife is received.

(iv) Training programmes on enforcement and implementation of wildlife and other related laws and international conventions have been organised for all the enforcement agencies in February and November, 1995.

(v) India is a signatory to the convention on International Trade in Endangered Species of Wildlife Fauna and Flora (CITES) under which international trade in endangered species and their parts and derivatives is strictly regulated.

(vi) A Committee set up by the Ministry to look into the issues related to illegal trade in wildlife and wildlife products, has recommended specific measures to deal with this problem and these are being followed up with the State Governments for implementation.

(vii) Regional and sub-regional offices of the Wildlife Preservation have been set-up mainly at the major export centres of the country to prevent illegal trade and smuggling of wildlife products.

(viii) A bilateral protocol on tiger conservation has been signed with Chine, which, linter-alia provides for cooperation in controlling poaching.

(c) and (d) No reliable information is available regarding the quantum or specific area of operation of the illegal trade.

Introduction of Multi Mode Transport System

1586. SHRI V. NARAYANASAMY: Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) whether a single multi mode transport system is being planned for Delhi to cope up with the increasing volume of traffic on its roads;

(b) if so, what are its features and how it is expected to reduce traffic congestion; and

(c) the funds being earmarked for the

purpose and by when the work the project will be started and completed?

THE MINISTER OF STATE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI M. RAJASEKARA MURTHY): (a) to (c) No, Sir. However, a Mass Rapid Transport System (MRTS) is being proposed for Delhi by Ministry of Urban Affaris and Employment to cope with the increasing volume of traffic. Revised Phase-I of this Project covers a length of 55.3 Kms. Besides, High Speed Trams System (HSTS) is also being proposed for a total distance of 177 Kms. HSTS is proposed to be on Build, Operate and Transfer (BOT) basis. As this stage, it is too early to indicate time frame for HSTS.
